

Health and Safety Policy

Lammack Juniors FC are committed to providing a safe training & playing environment for all children & coaches. Every manager & coach should do everything practicable to prevent an accident or injury to themselves and to any child under their care.

Lammack Juniors FC aims to promote health and safety, so far as reasonably practicable, by ensuring:

- the provision and maintenance of safe equipment that poses no risk to health
- the provision of relevant information to managers & coaches including instruction, training and supervision, as is necessary to ensure health and safety
- maintenance of safe environments, including a means of access in a condition that is safe and without risk to health
- progressive identification and assessment of all risk, taking measures to eliminate or control it
- by having a recognised health & safety official within the club who will provide guidance

This list is not exhaustive and represents general principles followed by Lammack Juniors FC in respect of health and safety.

It should be noted that the following policies & procedures are key elements of the clubs overall health & safety policy
