

# Blackburn Community SPORTS CLUB

Registered Charity Number: 1118089

Dear Parent

## **TRAINING SUBS – SEASON 2011-12**

We are required to register teams earlier for next season and so have decided to incorporate the registration fee into this process along with the setting up of standing orders.

To avoid the problems with start dates we had last year due to late set up of the standing orders we want to get them set up earlier this year. This does not mean that the payments will be taken earlier than normal, as the standing orders will be setup to start in the new season.

As you may be aware the subscription fees have been static for many years now. Unfortunately over the past two seasons the subscription fees have not covered the costs of running the club and we have had to make up the shortfall through alternative fundraising or by using reserves. As a result of this we have no choice but to increase the subs for the season this year by £20 to £150 with a registration fee due in addition of £25 if accompanied by a FA Respect Course Certificate. If this course is not completed the registration fee is increased to £30. The increased fees still only equate to less than £5 per week over the course of the season for every child.

We will be providing every member with a training t-shirt and new rain jackets for the 2011/12 season.

## **PAYMENT METHOD**

STANDING ORDER - I enclose a form that should be returned to myself.

The initial registration of £25/£30 is due immediately and the remaining subs are payable monthly commencing August over 8 months at £18.75 per month.

Please note a new standing order will be required to replace the previous season as this has ceased

*Alternatively we would welcome anyone wishing to pay for the whole season in advance.*

Thanks and Regards
